Dear Mr. Frey:

Enclosed is a letter to Representative Jack Brooks, Chairman of the House Government Operations Committee, responding to his request for the views of the Central Intelligence Agency on H.R. 3790 and H.R. 3800, two bills to modify cost-of-living adjustment benefits under federal retirement programs. Your advice is requested whether there is any objection to the submission of this letter from the standpoint of the President's program.

Sincerely,

/s/ Clair E. George
